Mr. Con Mims  
South Central Texas Regional Water Planning Group  
P.O. Box 349  
Uvalde, Texas 78801

Dear Mr. Mims:

We have received your letter asking for nominations for the category of "Water Districts" for the Region L. Planning Group. As a part of the South Texas Regional Water Alliance that consists of several municipalities, water districts and water utilities, we see the need for representation on the Region L Board. We are supporting the nomination of Guadalupe I. Lopez, President of the BexarMet Water District Board of Directors. She will be an asset to Region L and, more importantly, represent the interests of water purveyors from our region.

On behalf of the City of Pleasanton, we would appreciate your support on this nomination.

Respectfully,

Kathy H. Coronado  
City Manager
