Dear Mr. Mims,

We are in receipt of the letter requesting nominations for the category of "Water Districts" for the Region L Planning Group. As you aware we the South Texas Regional Water Alliance (STRWA) consisting of municipalities, water districts and water utilities and believe we need to have a representative on the Board. We are supporting the nomination of Guadalupe I. Lopez, President of the BexarMet Water District Board of Directors. It is our belief she will be an asset to Region L and more importantly represent our interests as water purveyors from our region.

Mr. Mims, on behalf of Yancey Water Supply Corporation, we certainly would appreciate your support on this nomination.

Sincerely,

Doug Caffey
General Manager
